After taking the class, volunteers who are 16 years or older do not need to have a parent or guardian present when they are volunteering. All volunteers under 16 years of age will need a parent or guardian, whoever takes the class with them, with them when they volunteer. Some exceptions can be made, on an individual basis and with parental consent, if the volunteer is 14 to 16 years of age and has been accompanied during his or her volunteer time by the parent or guardian for a month (approximately 20 hours) or longer.
